Dear Beef Producers,

I'd like to take this opportunity to invite and welcome you to our 26th Annual Bulls and More Sale. It has been a trying year for us, all but hopefully you and your family are doing well. We will be taking every precaution to make our event as safe as possible with more seating enabling social distancing and masks and sanitizers available if you need any. Internet access to the sale through CCI.live will enable you to bid and buy from anywhere in the world.

You can come to the sale expecting quality throughout the offering. If you need bulls, they will be available as yearlings or 18-month old cattle. We'll have every conceivable performance record for you to use in making your selection including ultrasound and DNA analysis and most all the bulls will qualify for the TAEP program.

On the female side you can find animals that will suit your calving time for either fall or spring. We are offering more pairs this year that have the possibility of being bred back to our exciting new herd sire, T/D Bonus 955. These 3-in-one pairs will offer quick return on your investment. There will also be some quality females bred to calve this fall.

As restaurants open back up and more people have the freedom to go out and eat, the beef demand should really pick up. Many analysts are predicting cattle prices to climb by the 3rd quarter. Quality is what the market will be looking for and we've been breeding for it for more then 50 years.

Come join us on Saturday, March 6th. Enjoy our good food and hospitality and find the good cattle you are looking for at reasonable prices. Call or contact us for any help you may need.

Sincerely,

Larry Patterson
