Dear Cattle Producers,

We take great pleasure in welcoming all of you to our 27th annual “Bulls and More” sale. Peyton, our grandson who does most of the herd work, is excited about many in the offering. As always, we will have a selection of bulls and females that are the result of over 50 years of breeding cattle in this environment. They have gone on to work for buyers in our area and those in many other states and we expect the same from this group.

We are aware of the high price of our finished product in the grocery stores and the push to make substitute plant-based products, but good, wholesome, tasty beef will survive. We must learn to be proactive in promoting the nutritional benefits, quality, and eating pleasure found in our product. We have seen many producers exit the business for various reasons, but I feel that now is a great opportunity to get in the cattle business. I believe we could see higher prices for cattle than ever before.

Whether you are just getting started, need a new herd bull, or looking for some good females to enhance the quality of your calf crop you can find what you need here at BoPat on March 5, 2022 at 12:30 P.M. We'll have those good hot dogs and other food and drinks for you. Feel free to contact us at any time with questions or drop by to visit.

Thanks,

Larry Patterson

Welcome Angus Breeders,

The 2022 BoPat Farms Sale will continue 27 years of offering quality Angus genetics from one of the most proven herds in the state of Tennessee. Larry, Betty Lou Patterson and their family have carried on this great sale tradition for many years and this set of cattle selling shows the quality and longevity of this program. The cattle are raised in real world conditions utilizing the land and forage base in northwestern Tennessee. This offering again will feature the breeding program Larry has put in place over many years and we hope you all can attend.

Lot 1, BoPat Exclusive 0118, sired by the Musgrave 316 Exclusive, is a powerful example of the depth in the bull division selling. He along with many proven sires represented, will again give buyers the consistency found at BoPat Farms. Another strong set of females will sell featuring an excellent cross section of the maternal base produced.

This is a family operation lead by the passion of Larry and Betty Lou Patterson. That passion has been carried on with herd manager and grandson Peyton Pruett. Peyton has the desire to carry on the program, he works hard everyday assisting in the success of this operation and he has done an outstanding job. We have enjoyed our long relationship with this family and we hope to see you at the sale. Please join us March 5, at the farm in Bradford, Tennessee. If we can assist in anyway, please feel free to contact us.

Ryan Cotton
